

# Pastoral Care Self-Review 2024

## Certificate of Assessment Design and Practice (CADP)

### 1. **Course Participants / International Learners**

Course participants are registered teachers working in Steiner/Waldorf schools in New Zealand. They attend this training as professional development.

There are no international learners participating in this course.

### 2. **Accommodation**

No accommodation is provided for this course.

### 3. **Learner well-being and safety**

Although it was intended that this course be held at Waikato Waldorf School, Hamilton disruptions to flight arrangements meant this course was held online.

At the start of the course, participants were made aware that they were responsible for health and safety matters and responding to an emergency.

The course was held on 18<sup>th</sup> March 2024 online.

There were no school students present.

### 4. **Learner voice**

There were 6 adults online plus one tutor.

Those who were present were encouraged to share their experiences, and everyone contributed well. This is one of the most satisfying aspects of this course.

### 5. **Safe, inclusive, supportive learning environment**

On completion of the course, written feedback was requested.

Feedback was overwhelmingly positive and evidence that participants supported each other well.

### 6. **Learners are safe and well**

As participants are all professional secondary teachers there was never any doubt about their safety and well-being.

### 7. **Complaints, Critical Incidents and Emergencies**

There have been no complaints, and no critical incidents or emergencies occurred during the CADP course during 2023 and 2024.

**Amelia Minogue (Tutor)**

**Steiner Education Development Trust (SEDТ)**
